MISCELLANEOUS FRUIT & VEGETABLE BULLETIN- Vol. XXXI No. 37.

NOTICE

Washington, D. C., Feb. 20, 1945. WFA has amended WFO 121 to remove from order apples of Delicious variety. Winesap and Newton varieties are retained in order which was issued on January 16 to make certain varieties of apples grown and located in states of Oregon and Washington available for armed forces and other governmental agencies. Amendment is effective February 21.

New amendment--first to WFO 121--will now permit unlimited movement of Delicious apples to civilians.

Decision to remove Delicious apples from order was made by WFA after it was determined that armed forces and other governmental agencies had obtained their requirements for Delicious apples.
